Camelot Community Care is pleased to announce our first ever "virtual" silent auction. Due to the pandemic, we were unable to hold our 5th Annual Golf Classic in April. The items in this auction were donated for that event however, since it did not take place, the community donors allowed us to keep the items for a future event. With an in-person event not taking place any time soon, we decided to utilize this platform to hold our first ever "virtual" silent auction.

Special thanks to all of our donors, as well as to you, for taking part in this event and supporting the valuable work we do in the community day in and day out. Your generosity and participation in this event, will ensure that our mission of enabling children and families to realize their fullest potential is able to go on!

Please take a look at the awesome items available, have a plan to bid often on items you want, and have some fun! Participation is as easy as one....two...three. 1. Register on the 32auctions website by clicking here [REGISTER NOW](#) to receive access as a bidder. 2. Identify the items that you are interested in. You can bid on the items yourself or allow 32auctions (the auction site) to bid for you if you'd like! Just enter the maximum amount you wish to pay for an item. As other people bid on that item, 32auctions will bid for you up to the maximum amount you identified! How awesome is that? The auction opened today, July 22nd and will run through July 29th at 5 p.m. Our goal is \$2,500. Won't you help us reach and exceed that goal? Not seeing an item that catches your eye? Please consider a donation to Camelot by clicking on the green donate button at the top of the page.

All proceeds from this "virtual" silent auction will go to support Camelot's programs that provide support services to homeless youth, foster children &

young adults, as well as adoptive families. These life-changing programs help to fulfill dreams of a brighter future. Thank you and happy bidding!

Camelot Community Care is proud to be the recipient of a sizeable gift that will change a lifetime for one young adult enrolled in our Independent Living Program in the Tampa Bay area!

About the EMPOWER! Mentoring Partnership Award

The ***EMPOWER! Mentoring Partnership Award*** was born through the generosity of this community partner. These caring compassionate adults have stepped forward to serve as mentors for the

next year to devote their time to one young adult, offering them support, guidance, encouragement and empower them to be the best "self" they can be. Through engagement of an individual in this initiative, they hope to change a life by helping one young adult build a solid foundation of values, establish goals, improve their academic and life skills, while developing their self-esteem and confidence.

This award will be made once annually to a deserving Independent Living Program applicant who will receive one year of mentoring from the community partner as well as the availability of financial resources to support and enhance their goals and objectives whether that be college, technical school, or other worthwhile endeavor assisting them in reaching their life goals. Interested applicants enrolled in the Independent Living Program were required to submit a questionnaire for consideration by July 28th. The top three candidates move on to Zoom interviews with a final selection on July 31st.

STAY TUNED and plan to join us during the public announcement of this award, introduction of the community partners who made this award possible and the unveiling of the first EMPOWER! Mentoring Partnership Award recipient!

The event will be held on Friday, July 31st at 10:30 a.m. via Facebook LIVE event from Camelot's FB Page located at facebook.com/camelotcc and via Zoom at this link [INSERT ZOOM LINK HERE](#). Please plan to join us on one of those platforms for this exciting announcement!
