This event will feature a car for everyone's taste...classics exotics, muscle and sports cars alike! Hosted by James Buonavolonta, M.D., President & CEO of the phenomenal Ultimate Garages, LLC there will be a little bit of something for everyone including: music, live radio broadcasts, formula one simulator experience, food trucks, Silent Auction, 50/50 raffles, best of show award, and more! The event will benefit Camelot Community Care who serves children and families experiencing abuse, neglect, behavioral health and substance abuse issues. As a non-profit charitable organization, we accomplish our mission of enabling children and families to realize their fullest potential by stopping the cycle of abuse and neglect in families and in our community.
